

**FYI:**

Sign in boxes are at each trail on the map

\*\*\* Go to wooden box on tree:  
observation sheets!

Tips: Be careful for: ticks, poison ivy,  
bugs, long grass...

\* Don't litter \* Use sneakers

Animals allowed on trails under  
supervision! Please clean up after pets.

Difficulty of trails:

1 tree= easy, 3= difficult!

Map= Not all to scale. General shape is  
shown.

*Overall, respect the properties and wildlife.*  
Please observe all Old Lyme Open Space  
and Old Lyme Land Trust rules and  
regulations.

P.S.: Always walk with an adult!

Bridge

Water

House

Look at a cool tree!

Stonewall

Rock ledge

Trail Markers

A lot of ferns

Grassy area

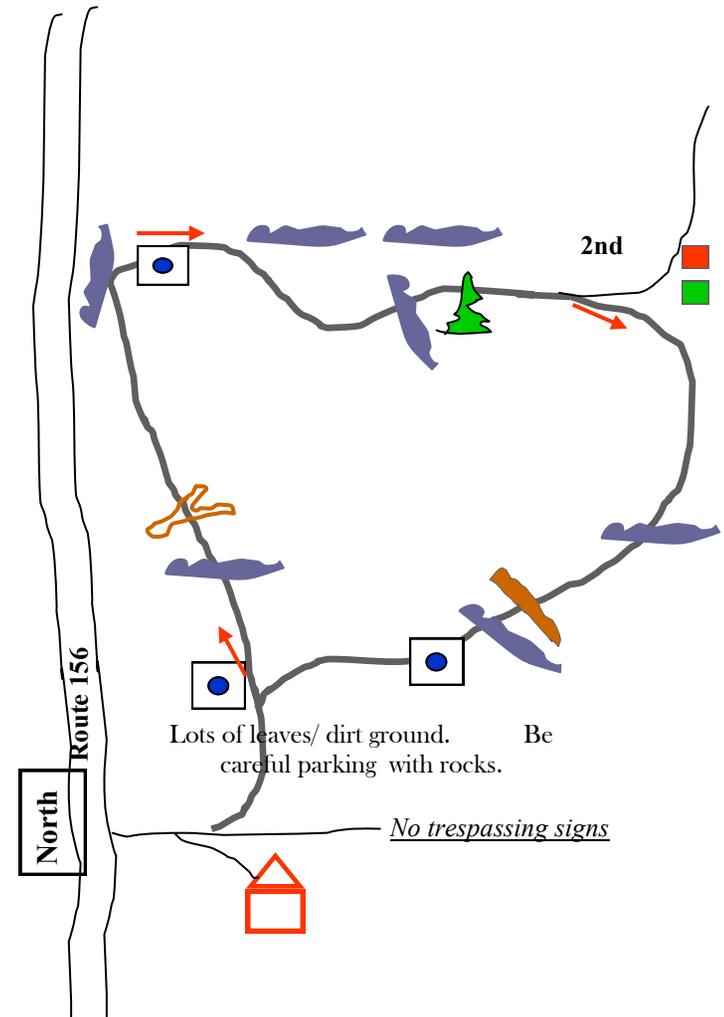

Guiding Arrows

**Goberis- Chadwick**

**Where is it located?** At 372 Shore  
Road/1-56. Pull into the driveway and stay  
to the left side- please don't disturb the  
house on the right.

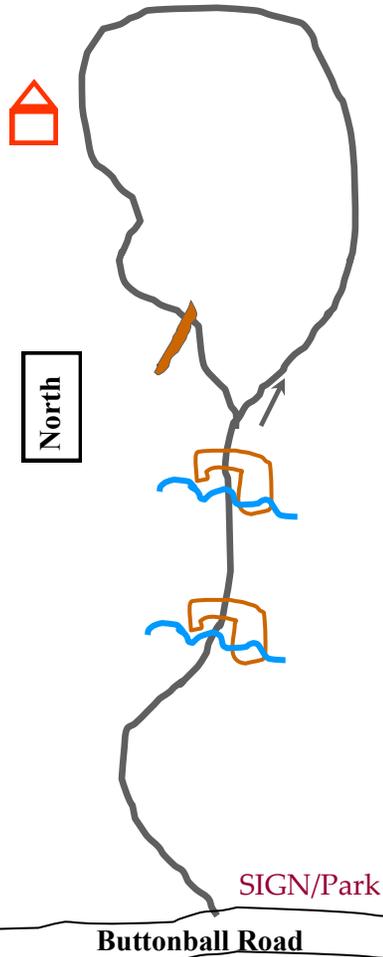

**Time:** 15 minute loop- follow white/  
blue markers; a second loop is indicated  
with green/red- it can be narrow.

## Bartholomew Preserve

**Where is it located?** Off of Buttonball Road. From Rt 156, the Preserve is on the other side of the bridge. From Mile Creek Road it is on the left side of Buttonball, right before the bridge— easy to miss.  
Small parking area.

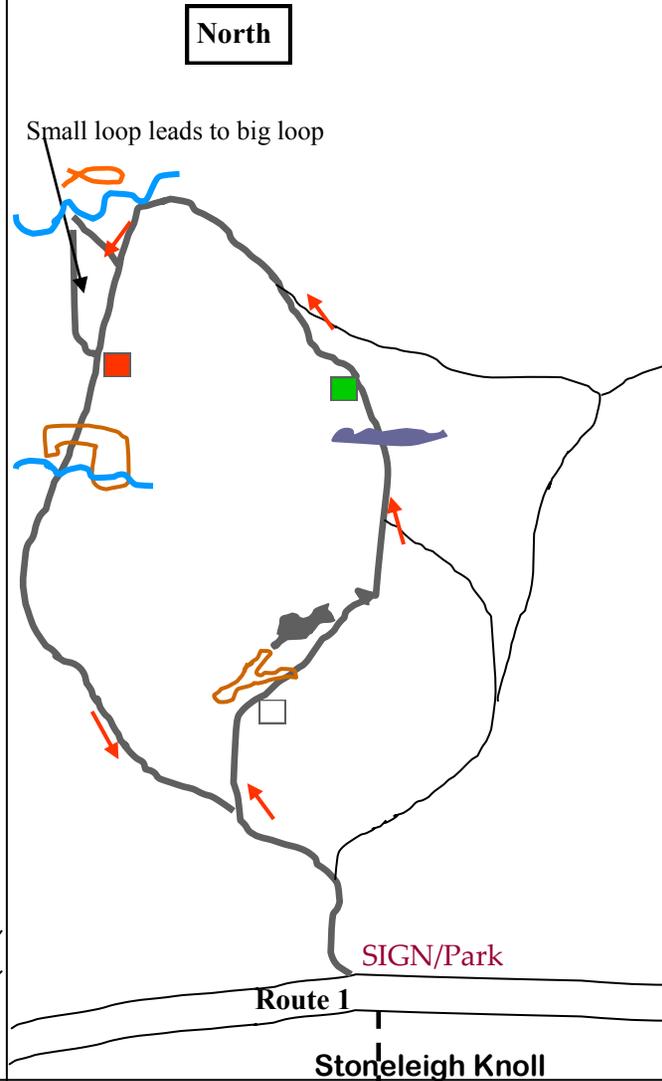

Time: 20- 30 minute walk

## George & Woodward H. Griswold Preserve

**Where is it located?** It is off of Boston Post Road, across from Stoneleigh Knoll. There is a nice parking area. Enter to the left side of the trail.

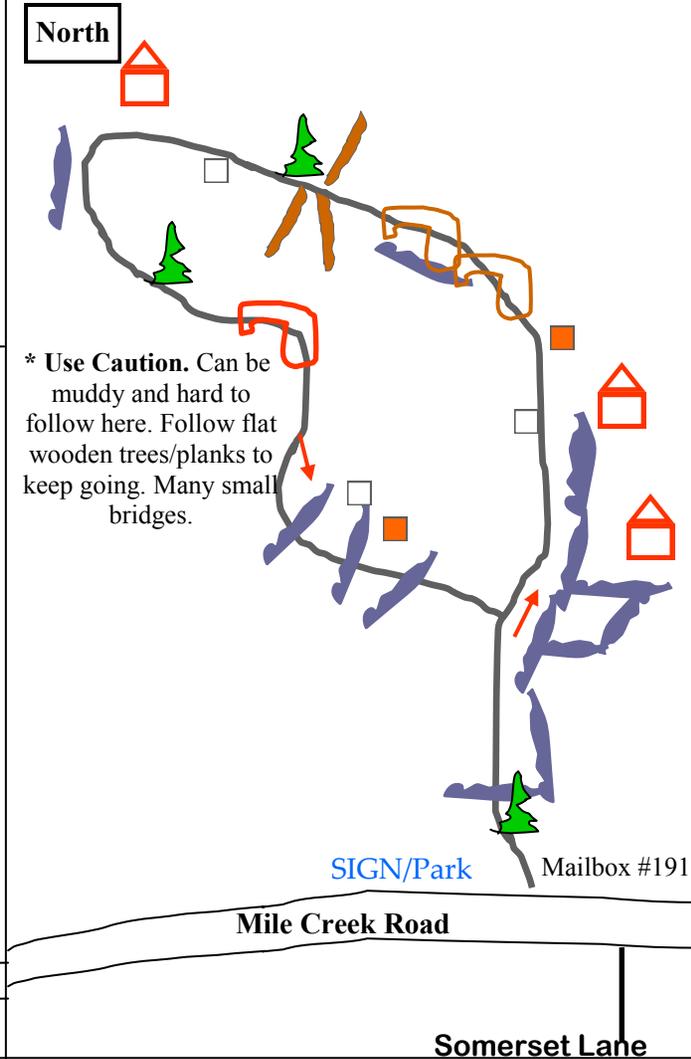

**Time: 20-30 minute loop in bold to left-** you can try the right side too.

## Mile Creek Preserve

**Where is it located?** Next to 191 Mile Creek Road— look for the sign. There is a small parking area. Not great for big dogs— it can be muddy.  
\*It can be hard to follow. Stay where the flat planks are.

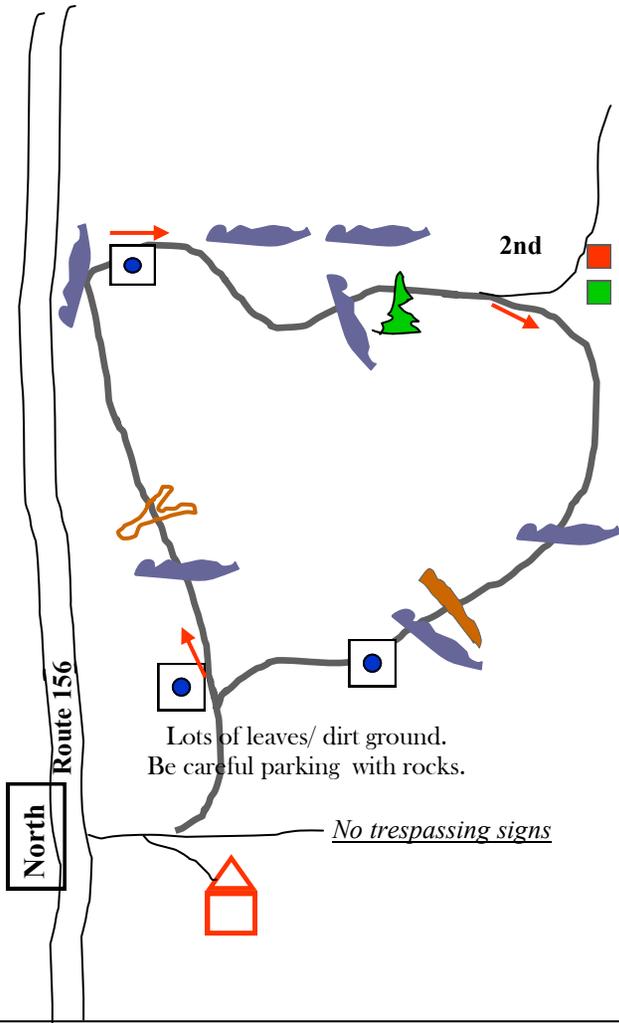

Time: 30- 40 minute walk

## Goberis- Chadwick

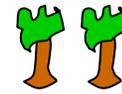

**Where is it located?** At 372 Shore Road/156. Pull into the driveway and stay to the left side- please don't disturb the house on the right.

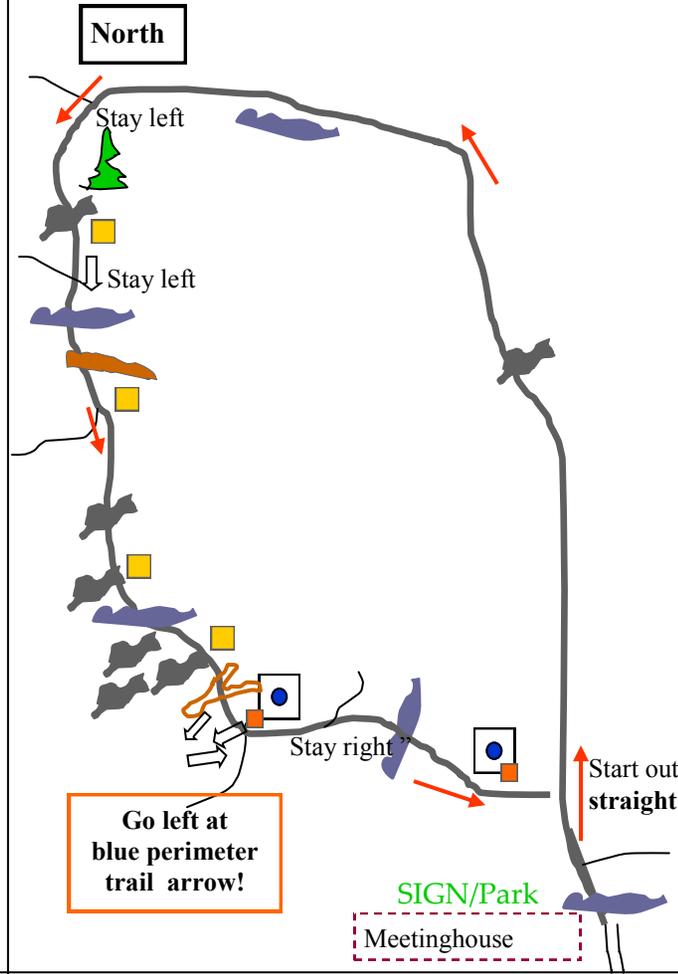

**Time:** 15 minute loop- follow white/blue markers; a second loop is indicated with green/red- it can be narrow.

## Champlain South

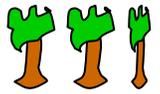

**Where is it located?** Drive from Lyme Street onto Johnny Cake Hill Road. Take Meetinghouse Lane to the top and park to the side of the circle.

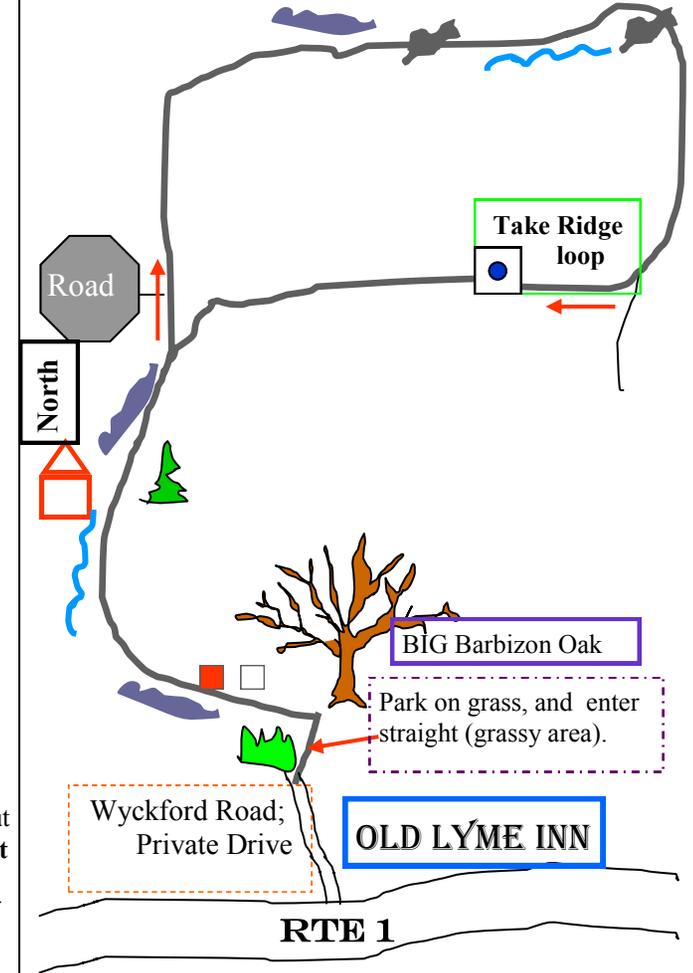

**Time:** ~30 minute loop- Follow **bold** lines.  
\*Trail will lead off in different directions; follow closely! Champlain South has a LOT of trails.

## Champlain North

**Where is it located?** At the end of Wyckford Road (the private drive to the left of the Old Lyme Inn). Drive to the back and park in the grass.

**Time:** Plan about an hour.  
\*\*\*Ideal to walk after July, once nesting is over. The grass can get tall and is mowed after nesting. Watch out for ticks in the grass.
